Men's Basketball Cram the Stands was very successful. Nike donated the t-shirts that were sold. The two Cram the Stands events raised \$17,000 for Doernbecher Children's Hospital.

There was a great turnout for Curriculum Night. Merchandise sales were good. The new students seemed to feel welcome. The Curriculum Fair during the school was productive and we will build on it for next year.

"Becoming an Apollo Day" for new students coming to SHS due to boundary changes is coming up, but the date is still being determined by the district. Students will be coming during the school day and parents will have the opportunity to come in the evening to become more familiar with SHS.

Service Day is April 29. Students involved with CAS (Community Action Service) will be heading up some of the projects. Projects will include G & H halls being repainted, the court yard cleaned up, and the picnic tables fixed up.

SBAC State testing for juniors will be March 22-23. Format will be consolidated testing on two days. It will be done on Chrome Books.

ACT testing is coming up in April 19.

In two years (2018-2019), the state has mandated that Seniors will have a full schedule. We will be looking into other relevant classes that we can offer. We are looking at incorporating CTE (Career Technical Education) opportunities as well.
