

SHS PTO Minutes June 11, 2018

Attendees: Gina Riley, Kathy Campbell, Jill Eilers, John Huelskamp, Kara Stark, Jennifer Dixon, Kelly Hansen, Tristan Baker, Beth Gilstrap, RayAnn Armony, Sara O'Donnell, Sara Pearce, Deanna Middleton

Meeting called to order at 7:02 PM

Old Business/Updates from last meeting:

- ****Any other funding that happened??**

Treasurer's Report: Kathy Campbell

- Reviewed the highlights from the treasurer's report. Concessions is close to hitting revenue budget from last year with \$1K more than last year. Profits just over \$900 more than last year.
- Merchandise did well keeping costs down and made more profit than last year
- A few Benevity donations received in May from April.
- \$15K to be left in checking to fund merchandise and concessions in the fall.
- We are up to \$81.6K for the Auditorium fund. Will be applying for the Resers grant again later in the year.
- Mrs. Buell didn't need to tap additional funds for the Senior breakfast.

Concessions: Sara O'Donnell & Jennifer Gordon

- New pretzel machine has been installed.

Grad Party: Beth Gilstrap

- It happened. 314 signed up for the party and 301 attended (out of 490 students) at Club Sport in Tualatin. The committee is wrapping it all up and handing off information for next year. Our community came together to make this incredible event take place.

Merchandise: Jennifer Dixon & RayAnn Armony

- We are wrapped up for the year.
- We will work with Patti in the main office to share apparel options with the staff that can be ordered from Team Uni's. They should be able to get the orders before school starts.
- The PTO should stop by Team Uni's before July 10 to try on and order a PTO shirt.
- Reminder they need a new volunteer to co-chair with Jennifer next year since RayAnn is retiring after two years as co-chair.

Staff Appreciation: Susan Visintainer

- This is Susan's last year to head up Staff Appreciation. Amy Wilde Taylor is willing to partner with someone.

Volunteer Coordinators: Kara Stark & Kelly Hansen

- We need funds for Apollo Preview Days to support the volunteers (food). Looking to allocate \$500.

Library:

- Most shifts are filled with parents volunteering to help with Chromebook and textbook returns.

Principal's Report: Mr. Huelskamp

- A successful graduation was held on Saturday.
- Senior Sunset event: 150-200 seniors turned out on the last day of school to watch the sun set
- ArtFest: A great celebration of the art program
- Finals Fair put on by student leadership: Faculty / Student softball game, food trucks, karaoke. It was a great break before finals.
- We had 140 volunteers for our community service day, not including the baseball team members. SHS put in over 520 hours of work.

New Business:

- Proposal voted on to spend our remaining \$18k by allocating \$2K towards our new sports complex Flagpole Fund and \$16K towards the Auditorium Fund. The discussion involved the importance of increasing the auditorium fund to an amount that enables us to ask for the maximum possible when applying for the Resers Grant. Even with this donation from the PTO, aggressive fundraising will need to continue into the fall (for both projects) to get to completion.
- Reminder we need a new Communications committee person next year to manage our Facebook page and do the monthly newsletter.

The meeting was adjourned at 8:30 pm.
Minutes submitted by Gina Riley

July 20, 2018

Amendment to the official June minutes

- It will be recorded Debbi Nadell and Dawne Eddens will be removed as authorized signers for the Grad Party Checking account and adding Kari Komlofske and Lori Lassere-Gullion to the account going forward.
